Emergency Management

In our continuing effort to make sure people with special needs are attended to in the event of either natural disasters or nuclear power plant emergencies, Lyme's Emergency Management Office is again incorporating the following form in this year's Town Report. Our Emergency Management Group wants to know about all people in town who might need special help in an emergency; so your cooperation and participation are greatly appreciated.

If you fall into this Special Needs category, please fill out the form and return it to:
