

ALL ACTIVITIES MONITORED BY VIDEO CAMERA

- The recycling center is under 24/7 video-camera surveillance.
- Individuals who leave household garbage, trash or unrecyclable items behind may be subject to substantial fines.
- Individuals who misuse or damage the recycling center may be subject to substantial fines.

HELP YOUR TOWN KEEP COSTS & TAXES DOWN

- Placing unrecyclable items in the bins can contaminate an entire load of recyclables and/or damage the compactor, and result in additional costs for the town.
- Leaving household garbage or unrecyclable items behind requires the Town Crew to be called away from other, more important responsibilities to dispose of these materials, and results in additional costs for the town.
