Optimal Solutions Group, LLC

Enabling Real-Time, Data-Driven, Public Policy Decision Making

About Us

Optimal Solutions Group, LLC (Optimal) is an innovative and rigorous small public policy research firm located at the University of Maryland's M Square Research Park. Optimal is proven and experienced with over 100 projects completed domestically and internationally. Using its Real-Time Framework, Optimal has become a public policy leader in data collection analysis and visualization. Optimal employs over 45 staff members who have expertise in various disciplines, including economics, health policy, statistics, psychology, sociology, public policy, communications, education, and entrepreneurship. Optimal has four research centers—health, education, housing, and workforce development, an international practice, analytics practice, and a Center for Innovation and Entrepreneurship.
