

WILLIAM WOODWARD

Dear Friends,

Due to the rapidly evolving concerns about the spread of COVID-19 (Coronavirus) and in keeping with the recommended protocols made by the Center for Disease Control, the opening reception of William Woodward's captivating exhibit at Long Branch will be postponed. It is our intention to reschedule the opening and his lecture, "Color and Light in Art", and we will keep you informed of any new information about these events. You may still see the exhibit during regular hours, 10am - 5pm, Monday thru Friday. Thank you and stay well!
