

# RECEPTION'S MUSIC CHALLENGE

Reception children have been learning about pitch, through the song Doe a Deer, we have been learning using the Kodaly hand signs to help us feel the pitch movement. This was going to be our class performance piece for the end of term summer concert and as we are unable to do this, I thought it would be a good idea to create a video clip with them singing along.

To do this, could you;

1. Listen to the song and practise the hand signs with them. These can be found on the attached PDF and the song can be found on the website under the work for week commencing 11<sup>th</sup> May 2020.
2. Record the song as a video (either using the backing track no. 52 or vocals track no. 47 – please note it is just the first verse.) Send it back to me at [music@loreto.gi](mailto:music@loreto.gi). If you have problems sending it you can use WeTransfer. (Please note by doing so you are giving us permission to use the video clip on our website and Facebook page)
3. Please try to get them to use the hand signs when singing. They were all very good at this before we went into lockdown so I am hoping they will remember it.
4. Can you send all videos to me by Tuesday 19<sup>th</sup> May and I will edit them into a video.

I look forward to seeing and hearing them all singing again.
