INSIDE

In this package, you will find documents designed to help inform your organization and its stakeholders about your partnership with the Department of Homeland Security’s (DHS) Critical Infrastructure Cyber Community C³ Voluntary Program:

**FAQs:** This document is a deeper-dive into the C³ Voluntary Program and can be used as a self-service tool for your stakeholders who have more questions.

**Cyber Risk Management Primer for CEOs:** This document highlights best practices in cyber risk management and introduces CEOs to the Framework and the C³ Voluntary Program.

**Informational Graphic:** This simple graphic can be used to educate your stakeholders on the key components of the C³ Voluntary Program in 60-seconds or less.

Please contact us with any questions or feedback at: CCubedVP@hq.dhs.gov.
