

State Leadership Conference 2020
 Competitive Event Management Preference
 Boise, Idaho | April 15 – 17, 2020

Dear HOSA Advisor,

In order for State Leadership Conference to run seamlessly for our students, we are asking each attending advisor to sign up for a role at the conference. We especially need individuals willing to take the lead on managing one of each of the events. This would entail overseeing the competitive event, answering participant questions, and possibly helping with finding and communicating with judges.

*We also are in need of general judges and proctors. Please see the attached, updated event list to make your choices and return to Stephany Garcia at stephany.garcia@cte.idaho.gov by **Friday, December 13, 2019**.*

Additionally, if you know of anyone who may be interested in supporting one of the SLC events, please put them in contact with Stephany!

As always, thank you for your generous support. We couldn't do this without you!
