Dear Head Start Parents and Community Partners:

The Institute of Community Services, Inc. is planning to open its doors to welcome our Early Head Start and Head Start Center children face-to-face on February 1, 2021. Operational hours will be Monday-Thursday from 8:00 a.m. until 4:00 p.m. Fridays will be used to conference with parents and community partners and to sanitize the facilities. Virtual learning will still be available for parents who wish for their children to remain at home.

A survey will be sent to our enrollees directly for feedback. Your response will greatly be appreciated.

Please submit your responses by January 22, 2021. We look forward to providing services to your child/children this program year.

Warm Regards,

Eloise McClinton

Executive Director
