This Cultural Sensitivity Commitment Letter aims to ensure that all members of BRI FC feel included regardless of their cultural background. BRI FC recognizes that our academy and our community is enriched by many people, from many cultures, living and playing soccer together in harmony.

Understanding the cultural values and differences of our players strengthens our Academy, all players need to feel safe and welcomed, and in this positive environment all the players will have the ability to safely reach their best potential.

BRI FC vows to provide opportunities for each player to celebrate and reflect upon their own and other cultures. BRI FC is committed to create and maintain an environment that ensures equal opportunities for all, and encourages a positive attitude or respect and understanding towards other cultures.

BRI FC will:

- Promote, respect and enrich the players' knowledge and understanding of culture diversity by educating the players on different world soccer trivia and world cup stats.
- Develop a community where everyone is valued and has a sense of belonging.
- Empower players to challenge discrimination and stereotyping.
- Develop an environment where similarities and differences between players' cultures are celebrated.
