

JOHN EVAN THE TALKING BULL

ALLOCATION APPLICATION

Sourced from the tiny Davis-King Monopole vineyard in Livermore, this head-pruned vineyard produces just a few barrels every year of super-concentrated Petite Sirah.

By joining the allocation list we automatically reserve a case for you every year and you agree to purchase it. Allocation is not a club but is like an automatic, annual futures purchase on this extremely limited wine.

The Talking Bull is typically released in November after 3 years of barrel aging but that may vary from year to year. We will notify you in advance when the allocation is to be released and will charge your allocation a few days before the release. The Allocation list is currently limited to 80 cases.

By signing, I understand that I will automatically receive scheduled shipments and that my credit card will be billed for these shipments. By enrolling, I certify that I am 21 years of age or older. I understand that I may cancel my membership only after purchasing two club releases by emailing Club@BigWhiteHouse.com. Your credit card information will be taken at time of enrollment.
