Clues

- Hard to define but you know it when you _____.
- This word, like cheese, has bad associations with the foot, good associations with the mouth (as food, including when creamed!), and, when used as an adjective, makes your eyes roll.
- Heimdall is the 'whitest of the gods' in _____ mythology. In the movie he was played by Idris Elba (the hottest of the actors, to be sure, but not the most, er, Caucasian).
- Something to wear on a broken leg, to a type of party where people constantly go on and on about broken legs.
- Type of creative professional dying to play a young prince who is a consummate non-_____.
- Something in your trick-or-treat bag that is just like rain on your wedding day: disappointing but not ironic, don't you think?
- This means something invigorating and healthy, yet mostly associated with certain alcoholic beverages.
- A legal instrument that segregates assets to make sure loved ones don't, er, get them too easily.
- The kind of day someone who just screamed at you tells you to have.
