### Clues

1. What you might do with glee or surprise if you win the office guess-the-number-of-jelly-beans-in-the-jar poll. And then your boss might do this at you for being loud.
2. It's bad luck to disclose what you wish for when blowing out the candles on your birthday \_\_\_\_\_.
3. The "Solar Lottery" was Philip \_\_\_\_\_ Dick's first published novel.
4. If you \_\_\_\_\_ the various old sayings about luck, you'll see three categories: (a) people make their own luck, (b) time and chance happens to us all, and (c) admonitions against ascribing skill to luck.
5. Sigh of relief you didn't catch the flu? Likely as much the result of the \_\_\_\_\_ in your soap as anything else (seriously, be safe everyone!).
6. A broken one is right twice a day.
7. Online travel company that, like all of them, says you caught a great deal, the last one left, etc. Hmmm. Maybe.
8. Tree associated with good fortune.
