

St Aloysius College
NORTH MELBOURNE

STRATEGIC PLAN 2018 – 2020

Mission

Our Mission is to ensure that all students become:

- Dedicated life-long learners
- Empowered and strong of character,
- Thriving on personal responsibility
- Personally fulfilled capable of experiencing achievement
- Confident, creative and collaborative problem solvers
- Effective and empathetic communicators
- Humane and caring, always looking to reach out to those in need

Vision

St Aloysius College's vision is to build a highly creative, student centred learning community where individual needs are met and where the inspiration to personal excellence is integral to everything we do.

We aspire to be a compassionate and just community, nourished by the teachings of Jesus Christ, sustained by the Catholic Church and inspired by vision of Catherine McAuley and the Sisters of Mercy.

Values

An education in the Mercy tradition invites us to take up a challenge. Catholic values and identity are the foundation for everything that occurs at St Aloysius College. These values and this identity is lived out through our Mercy traditions.

St Aloysius College is committed to the Mercy Education values of:

Compassion, Justice, Respect, Hospitality, Service, Courage
