Ohio Revised Code (ORC)3314.03(D)(2) specifies that the sponsor of school the must “monitor and evaluate the academic and fiscal performance and the organization and operation of the community school on at least an annual basis.”

All Ohio community school sponsors must evaluate each school and submit a written report of school academic, financial, organizational performance, and legal compliance to the Ohio Department of Education and make the report available to the parents of students enrolled in the community school.

The Ohio Department of Education, Office of Ohio School Sponsorship evaluates its sponsored schools on the performance of Ohio School Report Card indicators and on performance measures as listed in the school’s community school Contract. It is noted that the Ohio School Report Card data is not available for this school year due to the Coronavirus State of Emergency Order as declared by Ohio’s Governor, Mike Dewine.

The Office of Ohio School Sponsorship monitors the performance of its sponsored community schools through attendance at governing board meetings, on-site visits and through review of compliance assessments, monthly financial reports, and other reports related to the school’s academic, financial and operational performance to ensure compliance with rule and law.
