

## miami valley Pet Therapy association (mvPTa)

mvPTa offers multiple 7-week training courses each year. The purpose of the class is to teach handlers the basic skills required for visiting with their pet. Topics include: Role play in handling yourself and your pet in a variety of situations; recognizing animal's behavioral signs of stress; learning methods to de-stress an animal; etiquette during visits; HIPAA and other facility policies; and how to prepare for a visit. Teams, both student and animal are evaluated for suitability for pet therapy throughout the 7-week class.

### **Course Pre-Requisites:**

**Pet Aptitude:** Confident, calm, cooperative, gets along with animals and people, adjusts to changes in the environment.

**Pet Manners/Obedience:** This is not an obedience training class. Dogs must have the following basic skills prior to starting class, which will be evaluated by a prescreening process prior to week 1. If not proficient in these skills, the team will not be accepted into class. Needed skills: sit, down, stay, walk with a loose leash, greet people/animals calmly.

### **Collar Requirements:**

**Allowed Collars:** Only buckle, quick release, and martingale (without chain).

**Not Allowed Collars:** Slip, training (choke chains, prong collars, shock collars) body and/or head harnesses.

**Pet Age:** Pets must have lived with the handler for at least 1 year.

**Handler Age:** Handlers must be at least 12 years old and accompanied by a parent or guardian at all times until they are 16 years of age. Handlers need a parent's approval from the age of 16 – 18 years old.

**Vet Check Form:** You will be sent a vet check form to be completed by your veterinarian. A negative fecal test needs to be completed within 30 days of prescreening.

- **It is mandatory that you attend all classes.**
