

CORE COMPETENCIES

Committed to Providing Simplified, Effective Managed Print Solutions

NaveTech Solutions' offers a simplified approach to managing your print environment through our Managed Print Services (MPS) program. From providing HP multi-function printers, copiers, maintenance, and supplies to device optimization, security, and user support, NaveTech makes managing your entire print environment easy, effective, and efficient.

Gain secure, modern HP print devices & Managed Print Services from NaveTech.

MANAGED PRINT SERVICES

NaveTech's Managed Print Solutions offers an optimized approach to print management. With MPS, we'll simplify your user experience, maximize the performance of each print device on your network, eliminate print-related IT requests, and reduce your print costs.

ACCOUNT MANAGEMENT

NaveTech's team provides beginning-to-end account management – from coordinating delivery, installation, and training to simplifying the day-to-day management of your multi-function copiers and printers. Meters, supplies, service, billing, print security, and user experience – simplified! We even provide quarterly reviews of your account to make sure we are meeting and exceeding your expectations.

PRINT SECURITY

Gain print device, document, and data protection with our holistic security policies and secure print & scan solutions.

HP EQUIPMENT SPECIALISTS

Our long-standing partnership with HP allows us to learn the ins and outs of each HP device we deploy. We recommend devices that match your unique needs and ensure you have the print features you need when you need them. Our technicians also provide remote & on-site support to provide any fixes your devices require.

PRINT MANAGEMENT SOFTWARE

NaveTech uses innovative print management software, **PrinterLogic**, to simplify your print environment by eliminating print servers, consolidating print drivers, and employing mobile printing. NaveTech also utilizes **Papercut** software to help you secure, track, and control your users and devices and eliminate paper waste.

Socio-Economic Certification

- Small Business
- SBA Certified Small Disadvantaged Business
- SBA Certified HUBZone Firm
- CVE Certified- Service-Disabled Veteran-Owned Small Business (SDVOSB)

Industry Experience

With our experienced team, Managed Print Services, diverse certifications and strong manufacturer partnership with HP, we provide scalable, competitive, cost-effective solutions to simplify your entire print environment and increase productivity & performance in your office.
