

A blue-tinted photograph of a factory production line. In the foreground, a row of white plastic bottles with black caps is visible, receding into the distance. The background shows industrial machinery and lights, all rendered in shades of blue. A white-bordered box is centered in the upper half of the image, containing the text "WHAT DOES QUALITY MEAN TO YOU" in white, bold, sans-serif font.

WHAT DOES QUALITY MEAN TO YOU

HOC
INDUSTRIES

Quality is our highest priority. Nothing is more important to you, so nothing is more important to us. We know your reputation is at stake with every product we manufacture for you.

We created our own *Product Specification Quality System™* (“PSQS”) to ensure our product quality exceeds your highest expectations.

WHAT IS PSQS

BEYOND ISO

Imposes heightened quality standards to the foundations and principles of our ISO 9001:2015 certified program.

A MANUFACTURING BLUEPRINT

Creates strict, detailed specifications for every product we manufacture.

A FINAL EXAMINATION TOOL

Provides a resource for our production and quality teams to ensure non-conforming product does not leave our facility.

ACCOUNTABILITY

Demands both our quality team and production team accept 100% ownership and responsibility for the quality of our products.

CONTINUOUS IMPROVEMENT

Requires constant refinement to improve our quality.
