Please consult your new home specialist to confirm specific standard features and options available per model as the front elevation and floor plan information shown including pricing, standard features and options may vary from shown. All pricing, standards and options are subject to change at any time without notice or obligation. Drawings, pictures, square footages, floor plans, elevations, features, colors and sizes are approximate for illustration purposes only and will vary from the homes as built.

Color renderings are for artistic purpose only and do not necessarily represent actual color choices or options for interior and/or exterior of model. Artistic renderings are subject to change or refinement over time, square footage totals have been calculated using the engineering method (legal boundaries of the unit) and are subject to change upon final architectural drawings. Home prices refer to the base price of the model and include the vertical construction costs and posted site specific allowances only. Base prices do not include a build-able lot, options, pool packages and/or site specific allowance adjustments unless otherwise indicated.
