

TC Restaurant Group supplies more than 80 meals for partners during St Jude's Radiothon

TC Restaurant Group was proud to support partners iHeart Radio and The Big 98 during the organization's Country Cares Radiothon fundraiser in December. The hospitality group supplied iHeart volunteers with more than 80 meals during the two day fundraiser at the iHeart studios.

St. Jude Children's Research Hospital opened in 1962 and was founded by the late entertainer Danny Thomas. Its mission is to find cures for children with cancer and other catastrophic diseases through research and treatment.

St. Jude is the only pediatric cancer research center where families never pay for treatment not covered by

insurance. No child is ever denied treatment because of the family's inability to pay.

Throughout the 20 years the Country Cares program has raised more than \$500,000,000 nationwide and \$4,250,000 in Nashville.

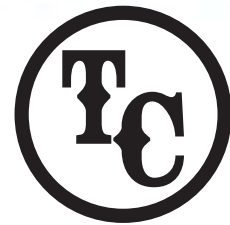

TC Restaurant Group, operates restaurant venues in multiple cities and offers eight dining and entertainment destinations for tourists and locals in the heart of downtown Nashville. Concepts include Tequila Cowboy, Wanna B's Karaoke Bar, Luigi's City Pizza, Crazy Town, Sun Diner, FGL House, Jason Aldean's Kitchen + Rooftop Bar and LUKE'S 32 BRIDGE Food + Drink. TC Restaurant Group's newest addition is It's a Southern Thing, Y'all

Gift Shop, which is located under Jason Aldean's Kitchen + Rooftop Bar and features a variety of Southern-themed souvenirs.
