

2020 - 2021

Dear Prospective Parents,

Thank you for your interest in St. Anne Preschool. We are very excited to offer a fantastic preschool & pre-k experience for all families. Additional tours will be scheduled on an individual basis beginning March 2020. We accept applications at any time and you do not need to attend a tour prior to your submission. Please also visit our website: www.stanne.com for more information about St. Anne Preschool.

Attached you will find an applications form. Please fill out the application and return it to St. Anne Preschool as soon as possible. Please include the \$40 application-processing fee made payable to: St. Anne Preschool along with a copy of your child's birth certificate. Once the information has been received and you have had a chance to tour the school, all applicants are placed on a waitlist until space is available. Acceptance letters are mailed in early Spring of the year your child is eligible to start preschool.

I look forward to meeting you and your child. If you have any questions, please call me at St. Anne Preschool.

Sincerely,

Judy Glaeser

Director
