Dear Prospective Parent,

Thank you for your interest in our school. We have been educating students in the Catholic tradition since 1920. We are extremely proud of our long successful history and take great pride in offering students a nurturing supportive environment with strong academic programs that are rooted in Catholic values. We invite you and your family to become a part of our future.

Attached you will find the information and application forms needed for admission. Please fill out the application completely and return it with any required documents and the \$50.00 screening fee to our school office as soon as possible. Once we receive your application, our secretary will contact you with a specific date and time for your child's screening or shadow visit. Entering Kindergarteners will be screened during the first two weeks of January. We will contact you to arrange your child's screening day and time. Students entering Grades 1 - 7 are required to spend a shadow day at St. Anne School. During that time, the teacher will assess your child's academic progress. Shadow visits for Grades 1 - 7 will begin early January. Acceptance letters will be mailed the week following your child's screening or shadow visit.

If I can be of any further assistance, please do not hesitate to contact me.

I look forward to meeting you and your child in the coming months.

Sincerely,

Thomas C. White
Principal
