

MINOR LAND DIVISION APPLICATION

In order to ensure that the Division of Land complies with City Code 11-3-5 D and does not constitute a subdivision, a minor land division application must be approved prior to the division of a parcel of land into two, three or four new parcels, by Record of Survey recordation with the County Recorder's office. Contract of sale or deed of conveyance may also be required.

All minor land divisions are subject to the Planning & Zoning Commission's recommendation and final approval by City Council.
