The action in the play takes place en route to, on and around the U.S. Army base at Biloxi, Mississippi, during the summer of 1943. *BILOXI BLUES* is the second in a trilogy of semi-autobiographical plays by Neil Simon. The first, *BRIGHTON BEACH MEMOIRS*, was presented at FSLT in November of last year. The third, *BROADWAY BOUND*, is also being considered for production by FSLT.

There will be a fifteen-minute intermission between acts.

Please no food or drink in the auditorium. For the safety and consideration of our audience and actors, no flash photography is allowed during a performance. Patrons are welcome to visit with members of the cast and crew in the green room after the show.
