

Director's Letter

Having just become a fan of the wizarding world of Harry Potter, I am super excited to be a part of bringing this magical story to our FSLT stage! This cast and crew have been working very hard to making this show come to life. It has been everything I dreamed of and more! Sit back, relax, and enjoy Mythical Creatures and How To Approach Them!

P.s. No Creatures were harmed in the making of this production!
