

WALKING AUDIT

Tell us about the street conditions near your home! Walk a block (or as far as you can) and take note of the following. You can take a different walk every day, and focus on different things each time.

1. Date and time you're doing this activity (Ex: 4/2/20, 11-11:30 am)
2. What street(s) are you auditing?
3. What infrastructure is provided?
*(*sharrows are painted icons on the street of a person riding a bike with a chevron above them to indicate direction of travel)*
