has been a priority of Charleston Moves for at least a decade. The
connection is also prioritized in the West Ashley Plan, People Pedal CHS,
Battery2Beach, and the East Coast Greenway. We have worked with the
community and elected officials to diligently advocate for this crossing,
and finally achieved funding for a separate bike/ped bridge in late 2019.

officials in support. The funding also includes specific intersection upgrades along the West Ashley Greenway and on the peninsula to allow safe access to and from the bridge. The City of Charleston has hired a project manager to lead design, permitting and construction, and we anticipate the bridge will be open in 2023.

In the meantime, Charleston Moves has widened focus to address other Ashley River crossings (North Bridge, James Island Connector and Wappoo Cut), as well as improving the intersection of St. Andrews Boulevard and the Maryville Bikeway. If the Bikeway connection could be made safe, a serious gap would be addressed, allowing people on bikes and foot to get from the Bikeway to the Greenway and ultimately, over the new bridge. Charleston Moves fought to retain funding for improving this crossing, though the design is under debate. We have begun North Bridge discussions with area planners.

Friends of Maybank

Our organization has advocated for multi-modal improvements to Maybank Highway on James Island since 2008. Since 2014, four people have been injured and two people have been killed while walking or biking on Maybank Highway between Woodland Shores Road and Fleming Road. This is a corridor that connects neighborhoods, businesses and greenspace. There is a dire need for safety and quality-of-life improvements along James Island's Maybank Highway corridor, necessitating a complete street vision to make the street safer for all users. In early 2019, after the most recent pedestrian death in the corridor, a collaborative session between Charleston County and Charleston Moves was organized to get citizen

feedback on safety improvements for this corridor. Feedback from citizens was not different from the previous overlay meetings: make the corridor safer and more connected for people walking, biking and waiting for the bus.

In response, two walking tours of the corridor were conducted, including representatives from adjacent neighborhoods, SCDOT, the City of Charleston's Police, Planning, and Traffic & Transportation Departments, Charleston County's Transportation Development Department, Charleston Moves, and specific City and County Councilmembers. The second walking tour resulted in a Road Safety Review report from SCDOT, identifying short- and long-term solutions to make the corridor safe and connected for all users, and also included suggestions from the public, what we witnessed on site, and bike and pedestrian counts at key crossings performed by Charleston Moves and our volunteers.

Charleston Moves has a petition in support of installing a safe pedestrian crossing near the Pour House, as well as working with the BCDCOG to make complete streets improvements to the corridor from at least Woodland Shores to Folly Road. We have used that petition to endorse specific project applications. We also worked with a local business owner to collect letters of support from most of the businesses located in the stretch of Maybank from Woodland Shores to Stefan Drive. The results of our advocacy in 2019: the County Transportation Committee (CTC) voted to utilize gas tax funding for the design, engineering and installation of a mid-block pedestrian crossing with a refuge and pedestrian-activated flashers; a Complete Streets application for a 5-7' sidewalk on Woodland Shores and a multi use

path on Maybank from Woodland Shores to Stefan is funded; our ask was successful to update the proposed Maybank Overlay Zoning to include requirements for a wider 10' minimum multi-use path than proposed for any new developments or substantial redevelopments along the corridor.

Main Road Segment A

Charleston County is leading a project to improve the Main Road Corridor and associated intersections, from Bees Ferry Road in West Ashley, to Maybank Highway and River and Bohicket Roads on Johns Island. The project also includes extending the West Ashley Greenway to Bees Ferry Road. Currently the focus is on Segment A, from Bees Ferry Road in West Ashley, continuing along Main Road across US17, and ends at the intersection of River Road at Chisolm Road on Johns Island. Major focal points of this segment include the intersection of Main/17 and the Limehouse Bridge over the Stono River. Charleston Moves has successfully advocated for bicycle and pedestrian improvements throughout the design, including a multi use path (minimum 12 feet wide) to be added to the Limehouse Bridge. We coordinated a petition and supportive public comments, and wrote support letters for County grant funding applications.

Close Calls Database

Charleston Moves piloted a project to determine if tracking "close calls" between motorists and people on bike/foot results in identification of problematic hotspots. We have provided the first round of citizen submittals to the Charleston Police Department (CPD) for their review and action. We also met with the CPD to discuss findings from this pilot

project, and are excited to report that they have already chosen a few locations to ramp up motorist enforcement. We are extending this program to continue tracking "close calls" and provide more data to other law enforcement agencies and planners throughout the area.

People Pedal CHS (the downtown bike plan)

A joint effort between Charleston Moves and the City of Charleston, this Plan was unanimously incorporated into the Citywide Transportation Plan. In 2018, our coalition advocated for improvements to Brigade Street, particularly where it intersects with Meeting Street. SCDOT and the City developed and funded a design. In 2019, we sat down with partner groups, including neighborhood leaders and representative Councilmembers, to discuss the status of the project and next steps. The plans were presented to the neighborhoods and endorsed wholeheartedly. In addition, Line Street was officially converted for two-way traffic, with sharrows and raised crosswalks added to improve the safety even further. Through our work on the City's Bicycle and Pedestrian Advisory Committee, more projects were discussed for Cooper Street and connecting Bee Street via Radcliffe by bike infrastructure.

Light the Night

Twice a year, Charleston Moves, with partner groups and volunteers, sets up in neighborhoods or business districts for our Light The Night events. We distribute hundreds of free bike lights and educational spoke cards. The cards outline the rights of people on bikes as they ride. Our volunteers also scout the area and strap lights to bikes they see that are lacking. State law requires that bikes have lights at night; by removing economic

barriers, we can work to ensure our community is safer when riding.

Leadership

Charleston Moves provides strong leadership and resources for several proposed projects and plans throughout the county, ensuring people who ride bikes, walk and take public transit are represented throughout the planning, designing and funding processes. We participate on the following committees and working groups:

- SCDOT Bicycle and Pedestrian Road Safety Audits in Charleston County
- 526 Lowcountry Corridor Project Stakeholder Group
- Berkeley-Charleston-Dorchester Council of Governments (BCDCOG) Air

Quality Coalition

- BCDCOG Charleston Area Transportation Study (CHATS) Safety Improvements

Committee

- BCDCOG Corridor Advocacy Committee for Lowcountry Rapid Transit (LCRT)
- Charleston County's Stakeholder Advisory Group for the Central Park & Riverland Drive Intersection Improvements Project
- City of Charleston's Bicycle and Pedestrian Advisory Committee
- Highway 41 Stakeholder Working Group
- Rethink Folly Road Steering Committee
- South Carolina East Coast Greenway State Committee

Many of these committees address portions of our signature 32-mile Battery2Beach (B2B) route. Segment One improvements to Folly Road, which will include widened sidewalks, widened and striped green bike lanes, narrowing of traffic lanes, and improved crossings are vital to safety

along this route. Finalizing the long-awaited improvements to Coleman Boulevard, specifically bike lanes, a pedestrian bridge, and safer crossings, have been a priority, especially in encouraging SCDOT to approve the Town of Mount Pleasant's progressive design proposals. We also supported Mount Pleasant Way, encouraging residents to weigh in on the plan via the Town's Comprehensive Plan, which includes key B2B segments.

Critical Mass

Charleston Moves hosts bike rides, walks, lectures and data collection activities in order to build a critical mass of people who want to see safe, connected mobility options for all. This year, we hosted 14 events for Mobility Month Charleston (during National Bike Month), as well as Car-Free Week with elected officials and the public later in the year. We also hosted 9 other events throughout the year to bring the community together around safe, connected, equitable streets and to celebrate progress. These included a Beginner Bike Ride and also co-hosting a City of North Charleston Mayoral Forum. We ensured the public weighed in on the record for several projects to include safe bicycle, pedestrian and transit accommodations, including:

- Mount Pleasant: All American Boulevard improvements; Whipple Road bike/ped access to the new Lucy Beckham High School
- " North Charleston: Rivers Avenue corridor; Palmetto Commerce interchange project
- West Ashley: Glenn McConnell Parkway improvements; Old Towne District (SC 7/171) improvements with heavy emphasis on bike/ped/transit
- Johns Island: Maybank Highway and Main Road Zoning Overlays

Our History

In 1993, the Charleston Bicycle Advocacy Group (CBAG) was founded to elevate support for bicyclists in and around Charleston. The group campaigned for and successfully achieved bicycle lanes on Coleman Boulevard in Mount Pleasant, despite opposition from the Department of Transportation. CBAG lobbied successfully for bicycle racks on buses, for improved cycling access to the Isle of Palms and served on the regional transportation board, voting for sidewalk improvements (especially near schools) and miles of bike paths near county parks.

In the early 2000s, CBAG's lobbying efforts for bike and pedestrian access on the newly-proposed Ravenel Bridge met fierce opposition from the South Carolina Department of Transportation, but it also attracted wide support from high-profile individuals and institutions. Building a groundswell of support for the additional lane, the final bridge plan included a 12-foot wide bicycle and pedestrian path. It also helped shift the focus for CBAG, which changed its name to Charleston Moves in 2005, in recognition of a broader mission: to promote active modes of transportation such as biking and walking, and taking the bus.

In 2009, Charleston Moves launched the Battery2Beach Route initiative, working with multiple government agencies on a vision of 32 miles of continuous bike and pedestrian lanes connecting major beaches in the Charleston area with the iconic Battery at the foot of the Charleston peninsula. Approximately 40% of the route is complete, with more segments in the works.

Charleston Moves hired its first paid full-time director in 2014, with a second paid staff member a year later. An ambitious annual calendar of local events seeks to help diversify the demographics of our organization and our advocates, and raise the bar in fundraising efforts.

Charleston Moves continues to expand the notion of what transportation is, what it should be and what it can be by working with local municipalities, agencies and other organizations that share its vision of a community connected by mobility options. If our community wants more successful transportation across the board, split it among several transportation nodes including biking, walking and public transit and provide more access for more people.

With a staff of two, Charleston Moves is working long days during the week, regular evening meetings, and weekend events to keep fighting for the public's right to safe streets, paths and bridges. The groundwork we have laid is continuously building momentum.
