

# Covid-19 Visitor Guidelines

At Capital Montessori School we are committed to keeping our community and safe and healthy. Our student's health and safety is always our number one concern. Because of the public health crisis we are facing, the Capital Montessori School has implemented some guidelines for any visitors coming into our facility.

- ♦ Reschedule your visit if you have any flu like symptoms or fever within the previous 3 days
- ♦ Must wear a mask when entering the facility
- ♦ Only 2 adult visitors per visit, no children please
- ♦ Wash hands after entering the facility
- ♦ Maintain social distancing – 6 feet from others while on the premises
- ♦ May not enter any of the classrooms where students are present
- ♦ Refrain from touching any materials or activities that are actively used by students or staff

Capital Montessori School Staff and Families would like to thank you in advance for your diligence and support in keeping our community safe.

Thank you,

Capital Montessori School Staff
