Sunday Worship Options (Sundays, 10:30 am)

In addition to livestreaming at home on your own or with friends or in your car in the church parking lot (Drive-In Worship), we're happy to reopen our building for services at 25% capacity. Some safety guidelines will help us make this a safe reopening:

- Arrive early so you can avoid entering the building in groups.
- Bring and wear your own mask from the time you enter the building until you leave (even during singing).
- Use the hand sanitizer stations as you enter the building.
- Observe seating restrictions and maintain 6-foot social distancing between families.
- Be willing to worship in the Family Life Center when our Worship Center reaches capacity (we can seat 70 in the Worship Center and 100 in the Family Life Center).
- Don't move the chairs in the Family Life Center—they have been measured and placed for safe distancing.
- Parents, be sure to be with your child(ren) at all times and help them along—there will be no children's ministry classes, preschool, or nursery for a while.
- Respect the guidance of our safety team—they are part of us and they are here to help.
- Avoid leaving in clusters—spread out as you exit.

Thank you for your cooperation as we make steps toward a full reopening.

Congratulations to Hank and Debbie Ciniglia on the marriage of their son and new daughter-in-law, Michael and Kate on May 26 in Florida. You can check out their ceremony video at <https://youtu.be/gXICRpKwJoA>.

For weeks now we have been wondering how COVID-19 would affect our much anticipated **VBS week**. After much research and prayer, we have decided not to move forward with our traditional, in-person program this year. We will plan to host an extra special Rocky Railway VBS next summer when we can pull out all the stops and whistles! I realize this will come as a huge disappointment to your children, but take heart, there is good news. Our VBS team is in the process of brainstorming alternatives that we will use this summer. Please complete the following survey as your responses will help guide our decision making process. The survey can be found here:

Our Daily Breads have arrived for June – August. A supply of them will be left at the office window and at the Welcome Desk in the foyer if you wish to stop by and pick one up.

Phase 2 – We have resumed our regular office hours at PCC. We request/require social distancing, face masks, and sanitizing procedures for those that enter and use facilities.

Update: The

Campbells

Curtis (“Cheddy”) and Jen Campbell serve with Wycliffe Bible Translators on the island of Sabu in

Indonesia translating the Bible into the heart language of the Sabu people. Recently they reported:

*We thank God the children are sleeping well at night and we are still working on a daytime rhythm that serves everyone well. It is a lot of work to keep up with laundry from cloth diapering twins, cooking food from scratch, and taking care of three young children without an extra set of helping hands in the house. We thank God we've been healthy, safe, and for his divine power giving us all we need. **We appreciate your prayers for the following:***

- God's provision of the right housing situation for the office and our family.
- **Zoe turns 4** this month. Please pray for salvation and righteousness to raise forth in her life.
- We celebrate **8 years of marriage** this month. God has graciously seen us through so much already. We appreciate your prayers that He'll keep growing our life in Christ together and loving connection with each other.
- **Curtis' application for US citizenship** remains a challenge. Please pray for God's favor and that the immigration lawyer can facilitate the best way forward.
- Curtis is working with the Sabu team to **translate Covid-19 information**. People here are generally relaxed since there are no confirmed cases.
- Curtis began **checking the current draft (Genesis 40-42)** of the Joseph story.

- Curtis is working with church partners to play the **audio version of the Book of Mark on the radio.**

Will you pray for Cheddy, Jen, and their three children Zoe, Emeth, and Calum?
