CHURCH

# PCC Bulletin Connections

## June 24, 2020

**Sunday Worship Service** (Sundays, 10:30 am)—The church is once again open at 25% capacity. Our Worship Center holds 70 soon as you feel safe in doing so. Proper safety measures are in place. We still require 6-foot distancing between families and masks during all but the sermon time. Livestreaming at home is, of course, still an option.

### Download the PCC App!

PCC has begun using an app to check in for services and communicate upcoming events! (Once everything gets up and running again other features will become available as well!). The App is called **Church Center**. It is free to download and easy to use. Simply go to the app store on your smartphone **and download the “Church Center” app**. Find Pittsford Community Church by using your location or typing in Pittsford to the search bar and sign into the app using your personalized log in information. If you need more help, we have created a quick tutorial video. Watch it by [clicking here](#). Currently, we are asking you to use the app to check yourself and your family into our Sunday morning church service. Simply go on the app on Sunday mornings, click the check-in button on the bottom of the screen, and check in! Simple and easy. Obviously, every new system has it’s kinks so if you have trouble logging in or if you don’t see members of your family on the check-in screen please don’t hesitate to reach out to Pastor Chris ([arcadi@pittsfordcc.org](mailto:arcadi@pittsfordcc.org)) or the church office ([mail@pittsfordcc.org](mailto:mail@pittsfordcc.org))!

## Update on the Organ Fund

At our town hall meeting in April we discussed raising funds for the purchase of the new organ. At that meeting, it was decided that we would put a down payment on an organ which had become available and begin to raise funds for the instrument. The sentiment at the time was that we would see what the level of giving was toward the project and, from there, make a determination as to whether or not there was significant enough support from the congregation to move ahead with the purchase. In consideration of the company who is holding the organ for us, the Vision Team has decided it is appropriate to set a fundraising goal and deadline for the project. **To move forward with the purchase of the organ we must raise 75% or \$22,500 of the \$29,500 needed for the instrument by August 2<sup>nd</sup>.** If this goal is achieved, we would fund the remaining balance from the reserves the church currently has. If the 75% goal is not achieved, then PCC will not replace the organ at this time. **Currently, \$11,820 has been raised toward the project which is roughly 40% of the total price and 52% of goal.** If you would like to give to the organ fund, please visit [this link](#) or designate “organ fund” on your offering.

**Library Repurposing Update**—As you know, our Vision Deacon Team approved plans to repurpose our library space for much needed meeting space. The library books will be redistributed to various age-appropriate classrooms in the building for personal use (no need to check out books, just borrow them as needed and return them when you’re done).

**Communion Celebration Next Sunday**—For those in attendance at next Sunday’s worship service communion will be provided in a safe way. For those livestreaming, remember to prepare ahead to share in the bread and cup.

**Our Daily Breads** have arrived for June – August (large print also here for July-September). A supply of them will be left at the office window and at the Welcome Desk in the foyer if you wish to stop by and pick one up.

**A limited number of THE 2020-2021 PCC DIRECTORIES** have been printed and are available (1 per family) at or near the Welcome Desk in the Foyer. Pick one up today for your household.

## **Pandemic Can't Slow PCC Spanish Outreach**

Thankfully, Pittsford Community Church has been able to continue sharing the Word of God in Spanish for the past few months via livestream each Sunday morning. We invite you to join us!

Our friends who regularly attend the Spanish language service at PCC tune in from home on Sunday mornings. In addition, we have had people join us from Bolivia, Brazil, Colombia, and Spain. This has proven to be a wonderful time that unites us as a community and is equipping us for our work in the Kingdom. During each online service, we feel the presence of God in an amazing way, and we enjoy seeing the participation of people through their comments. To join our online service, simply visit the [this Facebook page](#) at 10:30 a.m. Sunday.

We continue to reach out to our community in other ways, as well. We had a special time of coming together in a prayer chain through WhatsApp, where people committed to praying at different times of the day and night. In addition, we were able to support the work of a member by taking food and clothes to Spanish-speaking people in our community who are experiencing financial difficulties. More important than meeting their physical needs, we have shared the hope of the Gospel and prayed for them. Incredibly, we have seen about 10 people give their lives to Jesus, and the number continues to grow. We

believed 2020 would be a year of revival, and we are seeing that come to pass. All of this progress during a pandemic!

We also have been able to continue our Spanish language Bible study on Monday nights. Happily, some people who were not involved earlier are visiting with us now online via Zoom. We have enjoyed spontaneous times of worship, as well. Recently, we did a livestream worship on Facebook. It is great to witness the participation and see people sharing the messages and worship with others.

The members of our group are developing a deeper relationship with God. We are grateful for the participation of the English speakers who have shown courage in helping us move forward with this ministry. We look forward to being together in the church again soon, and to share more about our next steps. We feel led by God to put together an outreach service in one of the rural areas we have been visiting during the pandemic, and also want to follow up with the people in the city to whom we distributed food and clothes. With God's guidance, we will.

If you would like more information about Spanish outreach or to join the online Bible study, please contact Mauricio Riveros at [rivem@pikeco.com](mailto:rivem@pikeco.com) or 1-585-752-3391.

# A Journey with Jesus

## The Travel Narrative in the Gospel of Luke

### **“Dining with Hypocrites” (Luke 11:37-54)**

1. Hypocrisy focuses on external issues and disregards the innermost heart (11:37-41).
2. Hypocrisy focuses on legalistic regulations and disregards love and justice (11:42-44).
3. Hypocrisy focuses on personal power and disregards the spiritual plight of people (11:45-54).
