Live Worship Options (Sundays, 10:30 am)

Join us each work for Sunday Worship. You can livestream from home. You can attend the drive-in service by livestreaming in the parking lot and seeing other PCC family members (please leave a space between cars and stay in your cars). Or consider inviting a few others (fewer than 10) to join you in your home to hold “home church” by livestream. Be creative and reach out. We hope you will join us in spirit congratulating Isabelle and all she has accomplished!

For weeks now we have been wondering how COVID-19 would affect our much anticipated **VBS week**. After much research and prayer, we have decided not to move forward with our traditional, in-person program this year. We will plan to host an extra special Rocky Railway VBS next summer when we can pull out all the stops and whistles! I realize this will come as a huge disappointment to your children, but take heart, there is good news. Our VBS team is in the process of brainstorming alternatives that we will use this summer. Please complete the following survey as your responses will help guide our decision making process. The survey can be found here:

Our Daily Breads have arrived for June – August. A supply of them will be left at the office window and at the Welcome Desk in the foyer if you wish to stop by and pick one up.

Phase 2 – We have resumed our regular office hours at PCC. We request/require social distancing, face masks, and sanitizing procedures for those that enter and use facilities.

Celebrating our PCC Family!

Congratulations to Izzy Brick. Her parents, Dave and Carol, wrote: “It is with great pride and excitement that we announce Isabelle's college graduation from Dartmouth College, Class of 2020! Isabelle will be graduating on June 14, 2020 with a double major in Music and Biology (Pre-Health). The ceremony will be virtual with the link provided below if you would like to watch. Beginning in July, Isabelle will be working at Brigham and Women's Hospital in Boston as a Clinical Research Coordinator. She is also looking forward to keeping her feet in music as she will be performing at Dartmouth in the fall of 2020.” Dartmouth Commencement Ceremony Link: [Dartmouth "Celebrating the Moment" Ceremony](#).

-- Prayer Needs

- Jean McDermott – home from hospital, but still issues with healing and another test scheduled for 6/10 (bronchoscopy)
- Kathy Madrazo – prayer for comfort and peace for family as her father passed away last week. She appreciates all the prayers and support. Continue to pray for many who are still not able to be with loved ones.
- Christen Driscoll – PRAISE! It seems so long ago that I asked you to pray for the boys—Samuel and Moses. So much has happened. We are so excited to tell you the boys were just accepted into Holy Childhood! God is so good!!
- Stephanie Donovan – prayer for her and her parents as she has to step in to relieve her dad for a few hours a day in the care of the mom; we just started the process to get more skilled care as it is time. Please pray endurance for my dad and wisdom for me as her health care proxy.
