These are designed to allow space for plenty of viewers while social distancing. These performances are *separate* from the lawn concerts/dedications.
- 2) All concerts/dedications need to be within **.15 miles** of the parade route and on a street connecting to it.
- 3) Donations can be placed in **Franklin Band Buckets** held by our students on the route.
- 4) PLEASE DO NOT PARK ON THE STREET, ON OR NEAR THE PARADE ROUTE DURING THE EVENT.

Covid-19 & Safety Protocols:

- Band Members will maintain social distance during the March-A-Thon, and will be masked when not performing.
- We ask that all spectators respect our students by maintaining a distance of at least 15' from the band at all times, and separate households remain at least 6' away from each other while wearing masks when possible.

Safety is our top priority. Thank you for your understanding and cooperation!
