

25 YEARS OF EXCELLENCE

Young Voices of Colorado has been making a difference in the lives of children all across the Denver Metro area for 25 years. PHILOSOPHY OF SUCCESS

YVC is more than just singing and performing – it's about learning. We focus on the whole child, encouraging our singers to develop not only their vocal skills, but also music literacy, expression, self discipline, confidence and commitment. We nurture not only the voice but also the intellect. This philosophy is what sets Young Voices apart from many other organizations and is just one of the reasons that parents bring their children back year after year.
