Spes ..... Sami text by Nils Askak Valkeapää, music by Mia Makaroff (b. 1970)  
*Who is like the wise?  
Who knows the explanation of things?*

*I belong to the wind, but I live,  
maybe that is the meaning of life.  
I live here and now...I won't be alive tomorrow.  
That is the way - and so what.*

*As no one has power over the wind to contain it,  
so no one has power over the time of their death.*

*A person's wisdom brightens their face  
and changes its hard appearance.*

Ubi Caritas ..... Ola Gjello (b. 1978)

*Where charity and love are, God is there. Love of Christ has gathered us into one.  
Let us rejoice in Him and be glad. Let us fear, and let us love the living God.  
And from a sincere heart let us love one. Where charity and love are, God is there.  
At the same time, therefore, are gathered into one: Lest we be divided in mind, let us beware.  
Let evil impulses stop, let controversy cease. And in the midst of us be Christ our God.  
Where charity and love are, God is there. At the same time we see that with the saints also,  
Thy face in glory, O Christ our God: The joy that is immense and good, Unto the World without end. Amen.*

Flower Duet (Duet from *Lakmé*) ..... Léo Delibes (1836-1891), edited by Ronald A. Nelson (1929-2014)

*Softly let us glide with its wave bewitching  
Let us follow the flowing current;  
In the wave shimmering with a hand carefree.  
Come, let us reach the shore where the bird sings,  
Under the thick dome calling us together!  
Ah, let us descend together!*
