Reiki Program Guidelines

Updated 6/15/21

Infinite Light Center offers in-person, online and hybrid (a combination of online & in person) Reiki Sessions, Classes & Events. We follow CDC guidelines for vaccinated individuals. Read on to learn what to expect when you come in.

Pre-registration is required for all Reiki Sessions, Classes & Events. Please book your Reiki session ahead of time by contacting mriposo@infinitelightcenter.com or call or call/text 315-416-7270. View the Reiki classes & events schedule [here](#).

Face coverings are required for those who are not fully vaccinated, and suggested for those who wish to take extra precautions until the pandemic is over. For all sessions, there is a HEPA filtration system running in the room and we use CDC approved cleaning procedures in between sessions. For classes & events that include hands-on practice, we practice frequent hand washing/sanitizing & minimize the sharing of materials.

If you are unvaccinated & can't wear a mask (for any reason), we suggest that you take advantage of our remote sessions or online classes & events. If you are registered for a session or class and are not feeling well, please cancel as soon as possible.

We appreciate you following these guidelines. If you have any questions or concerns, please don't hesitate to get in touch.
