

## Vitae

J. Michael Adler

### EDUCATION

- Ph.D., May 1994      Major: Education; Specialization in Counselor Education  
Supporting Emphasis: Marriage & Family Intervention  
Cognate: Clinical Psychology  
Dissertation Chairman: Charles L. Thompson, Ph.D.  
Dissertation Title: *The Effects Technician Gender has on  
Physiological Arousal of Male Sexual Offenders*  
University of Tennessee, Knoxville
- M.S., June 1985      Major: Education; Specialization in Community Agency  
Counseling  
Major Professor: Charles L. Thompson, Ph.D.  
Thesis Title: *Development of an Alcohol Screening Instrument*  
Funded by Upper East Tennessee Alcohol Abuse Council  
University of Tennessee, Knoxville
- B.A., August 1983      Major: Liberal Arts; Psychology  
University of Tennessee, Knoxville

### EMPLOYMENT

- September 2018      Private Practice  
To Present              Total Behavior Solutions; JMK Services, LLC
- Responsible for the treatment, assessment, and evaluation services to adult sex offenders, adolescents with sexual behavior problems, children with sexual behavior problems. Provide marriage and family treatment, psychological and physiological assessments of sexual interest. In addition, provide consultation and training to State and Federal Probation. Consult and train Department of Children Services on sexual abuse cases. Provide treatment to sexual abuse children and adults.
- May 1, 1990 to      Clinical Executive Director, Counseling and Consultation Services,  
September 2018      Inc., Johnson City, Tennessee
- Responsible for the development, implementation, staff development and supervision of all clinical services provided.

Provide counseling services to adolescent and adult sexual offenders, as well as their families. Developed both the treatment program and assessment procedures currently utilized. Provide psychological testing as well as physiological assessments of sexual arousal. Also provide clinical consultation on sexual offender treatment and assessment.

September 1985  
April 30, 1990

Outpatient Therapist; Children and Youth Department for Watauga Mental health Services, Inc., Johnson City, Tennessee

Responsible for providing counseling, testing, and consultation to children, families, schools, Department of Human Services, and other agencies providing services to children. Provided individual, group, and family therapy. Developed and implemented the Behavior Modification program for Therapeutic Nursery.

Developed and implemented the evaluation/assessment and treatment services for adolescent and adult sexual offenders.

Consulted with Department of Human Services, Johnson City School System, Therapeutic Foster Care Program, Washington County School System, and therapeutic Nursery.

Participated on the Washington County Child Abuse Investigation Team.

### **Teaching Experience**

- |      |  |
|------|--|
| 1988 | Group Dynamics; Counseling Psychology Department; East Tennessee State University                          |
| 1989 | Group Dynamics and Counseling Practicum; Counseling Psychology Department; East Tennessee State University |
| 1993 | Child Psychology; Group Therapy; Practicum Supervision; University of Tennessee                            |

### **Licensure/Certification**

- |                |   |
|----------------|---|
| 2017           | TSOTB Approved Sex Offender Treatment and Assessment Supervisor |
|                | TSOTB Sex Offender Approved Assessment Provider                 |
| 2005 - Present | Licensed Senior Psychological Examiner, State of Tennessee      |

	Health Service provider #0000001390
1988-2005	Licensed Psychological Examiner, State of Tennessee #0000001390; Counseling
1997 - Present	Tennessee Sex Offender Approved Treatment Provider
1998 - Present	Certified Sex Offender Treatment Provider, State of Virginia #0812000037

### **Professional/Board**

2012	Contributing Member of Task Group to update Best Practices Guidelines for Treatment of Adolescent with Sexual Behavior Problems; Tennessee Department of Mental Health
2003 - Present	Sitting Member of the Tennessee Sex Offender Board
2004	Chair: Best Practices Guidelines for Treatment of Adolescent Sex Offender Department of Mental Health; Center of Excellence.
1992	Tennessee State Task Force Juvenile Sex Offender Treatment Participating member

### **Professional Affiliations**

A.T.S.A.	Clinical Member of The Association for the Treatment of Sexual Abusers,
A.P.S.A.C.	American Professional Society on the Abuse of Children
T.A.P.S.A.C.	Tennessee Chapter of American Professional Society on the Abuse of Children
T.A.P.E.	Tennessee Association of Psychological Examiners

### **Experience**

Over 34 years experience in the field of adult and adolescent sex offender assessment, treatment, consultation, and research.

### **Treatment**

I have assessed, treated, and/or consulted on over 8,000 sex offenders

I have conducted approximately 4,000 plethysmograph assessments

Developed Tennessee Sex Offender Board Peer Supervision Model

Developed Tennessee Sex Offender Board Best Practices Guidelines

### **Research**

Visual Assessment of Sexual Interest (VASI); Use of eye-tracking and EEG to assess sexual interest/pre-occupation

Detecting Deception in Adult and Adolescent Sex Offenders: Comparison of Layered Voice Analysis (LVA) and Polygraph

Penile Plethysmography; Effects Technician Gender has on Sexual Arousal Responses of male Sexual Offenders; Doctoral Dissertation; 1994

Tested effect of technician Gender on arousal responses of male sexual offenders (N = 69) Presented to ATSA Annual Research Conference San Francisco, 1994

Child Pornographer: Child Molester or Pedophile

Recidivism: Measuring Re-Arrest or Re-Offense

1985 developed adult and adolescent Sex Offender treatment program

Developed Adolescent Sex offender Closed Continuum Treatment Program  
“Steppenstone”

(Outpatient, After School, Day Treatment, & Residential)

Developed Behavior Modification Technique for addressing sexual arousal re-conditioning with low functioning offenders

Compared three different methods of evaluating deviant arousal (raw change, standard score, & percentage of full arousal) as they related to deviant sexual history confirmed by polygraphs

Cross-validated Plethysmograph results (strongest response) to identified deviant behavior verified through polygraph

Completed Test-Re-test (7 to 10 days) Reliability of Plethysmograph (N = 23)

Developed Comprehensive Risk to Re-offend Scale utilizing dynamic & static risk factors identified in 48 adult offenders who had re-offended in treatment.

Identification of discriminating risk factors of high-risk adult sex offenders in adolescence.

Developed Sexual Interest Inventory, Cognitive Distortion Scale, and Sexual Scenario Rating Scale for adults and adolescent sex offenders.

### **Sexual Offender Workshops/Training/Presentations Provided**

March 2019	Understanding Objective Testing used in Assessment & Treatment; Polygraph, Plethysmograph, Viewing time Measures; Tennessee Department of Corrections; Chattanooga
1997 – 2018 Providers	Provide week long training for all New Sex Offender Treatment TN Sex Offender Treatment Board
June 2018	Presented on Containment model For Management of Adult Sex Offenders in the Community; Tennessee Department of Corrections
September 2018	Presented on Objective Measures in the treatment and assessment of Adult Sex Offenders
September 2017	Presented on Adolescent Sex Offender Evaluations; Best Practices; Department of Children Services Legal Conference.
September 2016	Presented on Adolescent Risk factors and Integration and Management of Adolescent Sex Offenders in the Community; Virginia Department of Social Services
October 2009	Integrating Sexually Abusive Youth from Residential to Public School: Association for the treatment of Sexual Abusers (ATSA Annual Conference; Dallas.
August 2009	Treating Adult Sex Offenders: Sex Offender Treatment Board
November 2008	Connecting for Children's Justice Task Force; Adolescent Sex Offender Evaluations
August 2008	New Provider Training: Sex Offender Treatment Board

- August 2008            Managing Juvenile Sex Offenders; Juvenile Judges, Conference
- November 2007        Adolescent Sex Offender Treatment; Tennessee Children’s Justice  
Conference, Nashville, TN
- Adolescent Sex Offender Assessment; Tennessee Children’s  
Justice Conference, Nashville, TN
- August 2007            New Provider Training; Tennessee Sex Offender Treatment Board  
Conference
- August 2004            Addressing the Motivation to Sexually Offend: Tennessee Sex  
Offender Board Annual Training Conference
- Sexual Reconditioning with Adult Sex Offenders: Tennessee Sex  
Offender Board Annual Training Conference
- Sex Offender Treatment and Supervision Panel: Tennessee Sex  
Offender Board Training Conference
- Sex Offender Treatment Provider Qualifications; Tennessee Sex  
Offender Board Training Conference
- Tennessee Sex Offender Board “Peer Supervision Model”:  
Tennessee Sex Offender Board Training Conference
- October 2003         Sexual Offender Risk Assessments; Static and Dynamic Risk  
factors; Differences between Psychological evaluations and risk  
assessments; Federal District Court/U.S. Probation
- August 2003            Addressing the Motivation to Sexually Offend: Tennessee Sex  
Offender Board Annual Training Conference
- Sexual Reconditioning with Adult Sex Offenders: Tennessee Sex  
Offender Board Annual Training Conference
- Sex Offender Treatment and Supervision Panel: Tennessee Sex  
Offender Board Training Conference
- September 2000      Recognizing and Treating Sex offenders; Tennessee Public  
Defenders Conference
- Nov 1999                Psychosexual Evaluations; Medical Education Program, lakeshore  
Mental Health Institute

- April 1998 Re-Lapse versus Re-Arrest: Recidivism Data; Department of probation/Parole, Virginia Department of Corrections
- April 1998 Sex Offender Treatment; Update; Virginia Department of Probation; Western Division Retreat
- October 1997 Differences Between Sex Offender Treatment and traditional Treatment: Using appropriate treatment techniques; Tennessee Sex Offender Board Annual training Conference
- Criminal Evaluations on the Juvenile Sex Offender; Tennessee Psychiatric Association, Forensic Psychiatry Conference
- Treating Sex Offenders in the Community; Virginia Department of Probation, District #16
- July 1997 Juvenile Sex Offenders: what do we know, treatment, transition to community issues; Virginia Juvenile Justice; Probation Training
- February 1997 Current Trends in Sex Offender Treatment and Assessment; Virginia Department of Corrections, Western Region
- Nov 1996 Sex Offender Assessment, Treatment, and Management; U.S. Department of Probation; Eastern District
- May 1996 Child Sexual Abuse/Sexual Offenders; Pediatric Grand Rounds
