for Christian Heritage School Associate Membership...

...Fees – For Associate Members

Registration Dates

Open registration for new members is from May 1 to August 31 each year. Beginning September 1, contact the office to determine any special arrangements for late registration (late fees may apply).

Application Fee (Nonrefundable)

Each new family will pay a \$20 application fee *with* their application. If the application is accepted, the \$20 will be applied to registration; tuition will then be due immediately.

Associate Member Registration Fee (Nonrefundable)

There is a flat registration fee of \$20 per family the first year of associate membership (paid as application fee); each successive continuous year of associate membership the registration renewal fee will be \$10.

Associate Member Tuition Fee

All associate families pay \$100 tuition per year (\$50 per semester).

Tuition Payment Alternatives

These payment alternatives apply only to tuition; they do NOT apply to registration or any other charges:

- The year's tuition may be paid in one payment of \$100, due by September 1 (NO prepayment discount applies).
- If you prefer, you may pay tuition in two installments of \$50 each, due September 1 and February 1. Payments are due on the first day of the month but will not be considered late until after the 15th of the month. Late fee is \$5/month.
- Tuition is nonrefundable once the beginning of that period is past (i.e, after September 1 the first \$50 is nonrefundable, after February 1, the remainder is non-refundable).

...Other Expenses

Home School Legal Defense Association (HSLDA) Membership Fee

As an associate member, HSLDA membership is not required. However, we strongly recommend membership in HSLDA if you are homeschooling any school-aged students. Associate members may request the Christian Heritage discount code and use it to take advantage of the group rate (\$20 savings).

Curriculum, Field Trips, Etc.

Parent is responsible for the purchase of curriculum of his/her choice, field trip expenses and other activities.
