About Capital Region Minority Supplier Development Council (CRMSDC)

CRMSDC is celebrating its 47th anniversary as a not-for-profit economic development organization supporting growth in Maryland, the District of Columbia, and Northern Virginia through programs and services that help corporations enhance the diversity and innovation of their supply chains. CRMSDC connects corporate and government members to well established, certified minority-owned business enterprises.

We accomplish this through a rigorous process of certifying that MBE suppliers are at least 51% owned, controlled and operated by ethnic minorities; providing education and advice to certified businesses; and finally, creating strategic opportunities for corporate members and certified MBEs to connect for the purpose of doing business.

CRMSDC, established in 1972, is one of 23 regional affiliates of the National Minority Supplier Development Council, the only nationally recognized MBE certifying authority. CRMSDC is headquartered in Silver Spring Maryland.

CRMSDC also operates two programs funded by the U.S. Department of Commerce's Minority Business Development Agency (MBDA) grants: (1) The MBDA Business Center, Washington D.C., helps minority-owned firms create jobs, compete in the global economy and grow their businesses, and (2) The Federal Procurement Center which is the nation's only federally-funded program solely dedicated to assisting MBEs in obtaining Federal contracts.

Together these three organization form the *CRMSDC MBE Business Consortium*, the largest provider of MBE support services in the region.
