

**American Financial Management Published Rate Schedule**

Effective as of June 1, 2021

**AFM Standard Contingency Fee Rates**

- **Commercial:**
  - **25%** of any monies collected when oldest unpaid invoice is less than 1-year-old at placement
  - **50%** of any monies collected when any of the following is known at placement:
    - oldest unpaid invoice is greater than 1-year-old
    - balance less than \$300
    - 2<sup>nd</sup> placements
    - international
    - judgments
- **Consumer:**
  - **35%** of any monies collected when oldest unpaid invoice is less than 1-year-old at placement.
  - **50%** of any monies collected when any of the following is known at placement:
    - oldest unpaid invoice is greater than 1-year-old at placement
    - balance less than \$500
- **Legal Forwarding:**
  - **35%** of any monies collected on files greater than \$7,500.00.
  - **50%** of any monies collected on all other forwardings.
  - Note, legal forwarding arises only after AFM exhausts in-house collection efforts and client authorizes AFM to forwarding the given file. Contingency fees include local attorneys contingency fee rates. Local attorneys require upfront court costs and defend countersuits on an hourly basis.

Please see AFM's Terms and Conditions for Atypical Billing Scenarios

**AFM Special Contingency Fee Rates** – Special contingency fee rates proposed by AFM through another writing override the applicable contingency fee rate described above. If a special contingency fee rate proposed by AFM does not cover an AFM Standard Contingency Fee Rates section above (i.e. Commercial, Consumer, or Legal Forwarding), then the rates described above, in this Published Rate Schedule, control in that given situation.
