Aiken Steeplechase Announces First Race at New Facility

The Aiken Steeplechase Association Board of Directors is proud to announce the inaugural steeplechase race at its new location. The Aiken Steeplechase holds safety for both horse and rider, and guest experience at the highest level. Our new facility at 2020 Richland Avenue East will allow one of Aiken's oldest and most highly attended events to grow at a new level. First impressions are lasting impressions, and we are building a facility for the future that will support traditions both old and new.

We are excited and pleased with the progress and development and look forward to sharing it with our community. We encourage all to come out and celebrate our new facility with us on March 26, 2022 at the 54th running of the Aiken Spring Steeplechase.
