## FOR IMMEDIATE RELEASE

OPEN STUDIO HUDSON 2021  
**SAT, OCT 9 - SUN, OCT 10, 2021, 11 - 5:00pm**

### **Without Constraints**

Hudson un-curated artists share their art and studios.

After the 'pause' with an accumulated abundance of creative energy, artists are again opening studios to share with visitors. OSH 2021 will offer diverse disciplines of 40+ artists who choose to make art in Hudson during an epic cultural explosion in upstate New York. Participating artists are not filtered by curators or gallerists just by a shared location allowing for emerging artists and mid-career artists to show works not normally seen. The self-guided tour offers the community, art enthusiasts and collectors, insights into the artistic process.
