

### ColdHaus Charities of Choice

The Three Amigo's Charitable Golf Classic supports three Ontario charities every year with essential support to run their operations.

The Three Amigos Charitable Golf Classic, now in its eight year, is the ultimate fun golf excursion, for a great cause. Each November, a group of generous and charitable Canadians head south for 3 days of golf, camaraderie, and good times. They do not forget the purpose of the tournament though, and in its first 7 years the Three Amigos have raised just over **\$500,000 for 3 very deserving local charities!**

The supported charities; Southlake Regional Health Centre – Diabetes Research Centre, Ronald McDonald House Charities, South Central Ontario and ProAction Cops and Kids (with chapters in Toronto, Durham, Niagara, Hamilton and Halton) are using the provided funds for programs, education, equipment and in the Ronald McDonald Hamilton House particularly, to provide a state of the art laundry facility free of charge to the families using the House as a home away from home while their children are hospitalized. The charities all report that the funds received are making real and palpable change in the lives of those people in our communities who rely on their support.

The Attendees provide their support through registration, donation pledges and by bidding on our exclusive silent auction featuring exceptional, experiential and covetable items. In return, they help to make a difference and have a great time doing it!

Any support through donations directly to the charities or prizes to be auctioned off at Three Amigo's Charitable Golf Classic are much appreciated and go a long way to ensure the local community receives the support they require.

For more information on the charities, please visit their websites below:
