

Bay Area Workforce Development Board
PROGRAM PERFORMANCE COMMITTEE
Membership Roster (11/26/18)

The charge of the Program Performance Committee is to evaluate for contractor and service provider performance and contract adherence, and to make recommendations in order to improve, as necessary, and maintain superior performance and quality service to the Bay WDA. The Committee is responsible for overseeing the required competitive procurement process and facilitating the selection of Proposal Review Committee members. The Committee works proactively to improve quality of service and outcomes through contract and procurement policy/procedural input, and seeking workforce development “best practices,” and emerging innovations for successful contracting and administration, training and service delivery.
