

## **Aaron Smith**

Samuel Smith of Union District appeared in Spartanburg on 31Dec1832 at age 78 to apply for a federal pension (FPA s19093) based upon his service during the Revolutionary War. During part of his deposition he said that his brother **Aaron was mortally wounded** during the Battle at the **Cowpens** 17Jan1781. Samuel was in the Spartan militia regiment of Colonel John Thomas under Captain James Elder. He, and presumably Aaron, were assigned to General Daniel Morgan's Army shortly before the Battle at the Cowpens.
