

In The Patriots at the Cowpens, Bobby Moss stated that **John Stuart** of the Delaware Line was **killed in action** in the Battle at the **Cowpens**. He cited only a bounty land warrant claim filed by Stuart's granddaughter. Bobby also researched Delaware Archives for their Revolutionary War military records, but did not mention them.

Thomas Dazey of Sussex County DL testified that he was in the Delaware infantry with John Stuart and that Stuart was killed in battle. Thomas said that he could not remember if it was at Cowpens or Guilford Courthouse.

BLWt2081-100 was the land warrant claim made by Susan Watson, Stuart's granddaughter.
