

National Tribal Air Association's Volkswagen Settlement Work Group

The NTAA VW Settlement Work Group was formed to address the historic settlement that will provide \$55 million to Tribes to apply towards Eligible Mitigation Actions that will reduce NOx emissions, and to ensure fair access to all 567 federally recognized Tribes as the settlement moves forward. For more information on this settlement, visit www.ntaatribalair.org

All Tribes are invited to participate! Calls take place on the 2nd Thursday of the month at 2 PM ET. To receive upcoming agendas, information about the calls, and for the GoToWebinar link, contact Andy.Bessler@nau.edu or 928-523-0526.
