CIVIC COLISEUM

The Civic Coliseum is the largest performance and event space in the KCAC multipurpose complex. The coliseum provides seating for up to 6,500 guests and more than 20,000 square feet of exhibit space. The stage and seating capacities are flexible to meet the needs of your event or performance. The coliseum includes a curtain that can divide the space into condensed seating configurations to accommodate smaller events.

The coliseum also features an ice chiller plant that can transform the facility into an ice rink for performances and hockey games.

Our facility includes:

- Drive-through loading area to accommodate two trucks
- 106x198-foot cement arena floor
- 85x180-foot wide ice rink for performances and hockey
- One 800-AMP 3 phase Disconnects and two 400-AMP 3 phase Disconnects
- Moveable rolling stage with flexible configurations up to 3,136 square feet of space. Standard stage size is 60x40 feet.
- Water and power hook-ups are available if traveling with washer and dryer
- Lighting available
  - (4) Brand: Lycian (1290 XLT 2-K) Zennon Spots located on the north end of the coliseum – two above Section BB and two above section DD
  - (2) Brand: Lycian (1275 Spot lights, 100 to 450 feet of throw distance) can be set up on the east and west sides of the coliseum in the last two rows of sections F, D, N and Q
- Additional lighting equipment can be added through our in-house audiovisual contractor, M&M Productions, by contacting your event manager.
- Rigging system with up to 750 pounds per point
- Concessions services available

AUDITORIUM

The 2,500-seat Civic Auditorium provides a spacious, yet still intimate, venue to experience live entertainment. The auditorium hosts dozens of dancing performances, plays, comedians and musicians each year, including the Knoxville Symphony Orchestra’s Pops Series. The 57-by-54-foot stage includes a 27-by-47-foot proscenium. An orchestra pit is available for live accompaniment and orchestra performances. In the spacious backstage area, dressing rooms, chorus rooms and quick-change rooms are available for performers and crews.

Facility features include:

- Underground loading dock for two trucks and ramp for direct access to the stage at approximately 35 feet
- 57-by-54-foot stage, including 27-by-47-foot proscenium.
- 24-foot-8-inch-by-8-foot-3-inch front-of-house mix position located in the rear of house in the left center seating section
- 60-foot-wide orchestra pit with depth options of stage-level, 5-feet deep and 14-feet deep. Orchestra pit is not hydraulic, and fees may apply for strike and restoration.
- On-stage rigging includes the following options:
  - On the center proscenium, 22 feet above the stage with a 500-pound maximum per point
  - 25 feet off center proscenium, 47 feet above the house with a 500-pound maximum per point
  - On-stage lighting rigging includes 50 line at 800 pounds each
- Sound rigging has two possible locations: one is on center proscenium 6 feet from down stage left and one is 22 feet above the stage.
- 800-AMP 3 phase Disconnects located down stage right; 400-AMP 3 phase Disconnects located up stage right; 100-AMP 3 phase Disconnects located down stage left
- Access to stage includes an 11-foot-6-inch-by-10-foot stage door
- Backstage features eight standard dressing rooms, two large dressing rooms, two quick-change rooms, two chorus rooms and wardrobe room.
- For estimated lighting and rigging plans, please contact your event manager.
Our in-house sound and lighting equipment includes:

- **Sound equipment:**

- Second Balcony: 476 seats
- Total: 2,358 seats

Additional Temporary Seating:
- Orchestra: 96 seats
- Balcony: 46 seats
- Total: 142 seats

Total capacity: 2,500 seats
OUR SPACES

EXHIBIT HALL

• Our 10,000-square-foot Exhibit Hall hosts multiple trade shows, public shows and other gatherings each year. The 70-foot-by-159-foot room is a flexible space for trade shows and other events.

• Our three adjacent parking garages with more than 2,500 parking spaces and easy walking distance to downtown amenities make our Exhibit Hall a convenient location for these events.

RECEPTION HALL

• The 4,800-square-foot reception hall hosts meetings, weddings and corporate and community events. The 52-foot-by-90-foot space easily accommodates 250 guests for a catered meal; 400 guests for theater seating; and 150 for schoolroom seating. The ample parking and close accessibility to downtown amenities make the reception hall the perfect spot for corporate meetings and events.
