

## Kelly Katers Again!

Thank you Doug for the idea and for making it happen - delicious!

44 dinners were ordered and delivered to members tonight.

And, since we hear some dire predictions of not meeting at the Hall until well into 2021, let's do this again!

## President Taunya Asks for Ideas:

Taunya reached out asking for suggestions of what we'd like to see at our regular Zoom meetings. Suggestions included:

- Chocolate cake - thanks Doug, good start!
- Experiences sharing by members
- Explore ideas from other Rotary Club meetings
- Speakers from District - Susan says there are lots of good ones
- Local folks - Mayor, Health Unit, Hospital, Police, etc.

If you have other thoughts, email or call Taunya.

## Director Amie has plans for Social Media:

Amie proposes some regular features for our Facebook and Instagram pages, including (along with some members' suggestions):

- Brady Bunch member photos and a preferred contact method

This is great news; email or call Amie with other ideas.

## Ribfest Meetings Update:

First meeting resulted in the decision to not plan for a full Ribfest, but to explore options for Drive-Thru or Tailgate (a bit larger perhaps with more Ribbers and a couple of other vendors). Maybe some live music to entertain folks in the Queue. No beer unfortunately.

Next meeting is via Zoom Oct 28 at 7:00pm - all are welcome!

## Thank You's:

President Taunya thanked all those members who participated in two recent events to keep the face of Rotary visible in our Community during these challenging times.:

- **Let's Make Orangeville Shine (Fall)** - Chair Sheri
- **Natural Playground** - approved in PP Dave's year

## World Polio Day:

President Taunya joined RCOH President Mark Fitzpatrick and Mayor Sandy Brown. She showed a video of the Mayor reading out the Proclamation declaring October 24, 2020 as World Polio Day in Orangeville.

Always an encouraging message, particularly this year with Africa finally being declared Polio Free, leaving only Afghanistan and Pakistan with active cases.

## Pop-up Markets for Seniors:

Dave & Lynda are leads for this project and offer some history of what it is and how we got here:

The \$25,000 government grant received by the Rotary Club of Orangeville for the New Horizons Seniors Program is off the ground and is being put to great use. RCO has partnered with the Orangeville Food Bank to assist with their Pop-up Food Markets and are currently distributing nutritious food to seniors at three locations in Dufferin County with up to sixty seniors at each location receiving fruits, vegetables, milk, eggs, cereal, frozen dinners, yogurt, etc. once per month. The foods are being distributed starting at 10:15am each month on the

- 3rd Friday at 43 Bythia St. in Orangeville (Oct 16)
- 4th Thursday at 250 Simon St. in Shelburne (Oct 22)
- 4th Friday at 60 Chisholm St. in Orangeville (Oct 27)

RCO's commitment to this program will run until March 31, 2021 when the funds are expected to run out.

Lynda and Dave have committed to attend all of the markets and, if any other Rotarians would like to have an unbelievable experience please call either Lynda Moore at 519-942-5905 or Dave Proctor at 519-217-0457 to help out.

Hopefully, so that the Markets can continue outdoors through the winter, Dave is exploring costs for a tent for this to happen. See more details in the column to the right.

## More Club News:

### Rotarian of the Month

President Taunya is reviewing all of the great input from a number of busy members over the last month and will make the happy announcement at our next Club Zoom meeting!

### Resignation

It is with regret that the Club has accepted the resignation of long time member, and master Auctioneer, Tom Frater after some 50 years in the Club. Tom will still feel connected to the club as Nancy continues as a member, and Tom says he is quite willing to help out at Ribfest. We wish you well Tom, and will let you know the date of the next Auction - we need your expertise!

### Attendance

23 Members, were on line tonight - lots of interesting input from members about Social Media, ideas for Speakers for our meetings - and lots of fun from Sgt. Amy!

### Pop-up Market Details

The \$25,000 Grant was based on 225 Fresh Food for Seniors (FFFS) food packs per month, at outdoor, pop-up Markets at geared-to-income seniors apartments (started Sept) as well as some in-food-bank hampers for seniors 55+ (starts Oct).

The Budget also includes provision for a Chamber Vacuum Sealer, on wheels, for groups such as Lavender Blue, Golf Links, Cafe on Centre, who are each preparing meals for OFB clients using food donated to the OFB.
