| Mansfield ACO stating there was a dog bite which occurred in his town on 7/26/2020 at a camp site. The dog and its owner reside in WB and left the camp site once they offered to give their info to campground. Victim's injury is reported as an approximately 1.5" scratch which barely broke the skin to his hand. Mansfield ACO did not respond to scene of incident and is requesting assistance with obtaining rabies cert for victim's family as well as contact info for WB animal inspector. | | | |
| Narrative: | | | |
| Contact was made with the dog owner who states her son was playing with his friend when the incident occurred. She wasn't aware of what happened until after the fact at which time she went to the campground office and offered them a copy of her dogs rabies certificate. Campground allegedly declined her request and no authorities were contacted. Dog owner was contacted by Mansfield ACO as a result of a hospital visit by the victim to have the injury evaluated. Dog owner was very cooperative with my questions and provided her dog's (Vinny) WB tag #999 as well as an email copy of valid rabies vaccination paperwork. Rabies cert has been forwarded to Mansfield ACO by WBPD. | | | |
| Narrative: | | | |
| Victim's father was also contacted and advised that the dog's rabies paperwork is current and that a copy was sent to Mansfield ACO. Father states injury only appears to be a scratch however went to the hospital for precautionary reasons. | | | |
