

SCHEDULE "B"

Application For Water Service Permit

Original to Foreman

FEE: \$100.00

Permit # _____

The undersigned hereby applies to connect the following property (the "property") to the St. George Water System.

Property Owner(s)		
Property Location (Civic Address)		PID #
Home Phone	Business Phone	Proposed Date of Hook Up
Type of Building	Purpose	
Building Permit #	Sewer Permit #	Plumbing Permit #
Feasibility of Installation:	Foreman's Signature	

REQUIREMENTS FOR INSTALLATION OF SEWER LATERAL

- 1) I/We represent that I am/we are the legal owner/owners of the property.
- 2) I/WE hereby grant to the Utility Inspector or his authorized agent the right to enter the property for the purpose of inspection of the Water Service.
- 3) I/We hereby agree to abide by and be subject to all the terms and conditions set forth in By-Law charges that may be set from time to time pursuant to the Water Utility Bylaw.
- 4) This agreement shall be binding on me/us and my/Our successors and assigns.
- 5) A Backflow Preventer shall be installed according to Property Type:
 - a) Residential properties require a dual check valve.
 - b) Commercial properties require a double check valve.
- 6) Requirements for Installation of Water Service from Property Line:
 - a) Pipe size shall be no less than 3/4 inch type "K" copper line; or AWWA approved material (such as Kitec or Municipex).
 - b) All connections underground, such as corporation stop at property line shall be a compression connection (no solder joints) or a corporation coupling.
 - c) Pipe shall be laid in clear stone covered with clear stone;
 - d) Where pipe passes through concrete, copper pipe shall be wrapped or sleeved to prevent corrosion.

I/We are aware of the requirements of St. George Building By-Law Number 27C and my/our responsibilities thereunder, and I/we agree to use the above structure for the purpose stated only. I/We are aware construction methods used must safeguard public and private property and must be carried out in strict compliance with the Occupational Health and Safety Act, S.N.B. (1983), Chapter 0 — 0.2 as amended. I/We agree to permit and facilitate observation of the work covered under this Permit by the Building Inspector and public authorities at all times.

Signature of Property Owner	Date
Signature of Property Owner	Date

OFFICE USE ONLY

Regarding the above Application: (See Attached Drawing)
 This is to certify that I have inspected the Building Water INSTALLATION and CONNECTION to the Water System to the Town of St. George and find that it meets the requirements of the Town Bylaw No. 27-C.
