PENINSULA EDUCATION FOUNDATION

PEF sends our best wishes to our beloved Palos Verdes community during this difficult time in our world. We wish you good health and extend our brightest hopes for a promising future ahead.

Each year we thank this wonderful group of Palos Verdes real estate professionals who come together year after year to support education on the Palos Verdes Peninsula through their charitable gifts to Peninsula Education Foundation.

The 2020 Real Estate Honor Roll members joined this 13-year old program of educational support prior to the health crisis, and it is our time to acknowledge them for their support.

We are especially grateful to the Palos Verdes Peninsula Association of Realtors for their 25 years of consistent support of PEF. Please help us thank each PVPAR member for all that they do for our children and education.
